The Society is free to attach as much or as little weight as it chooses to a candidate's age at the end of the term for which s/he is proposed for election: s.1(a) and (b) (and see, too, s.2)
- (ii) All Fellowships terminate at College Retirement Age.
- (iii) Fellows of Class B are not members of the College's 'Academic Staff' since they are not employed to carry out teaching or research (Statute XXVIII, Pt.1.1(a)(ii)), and for the same reason do not fall within the Equality Act 2010. On reaching the College Retirement Age their position will be indistinguishable from that of Class A Fellows who have not requested re-election, and should, therefore, be treated in the same way - being entitled, or eligible for election, to an Emeritus Fellowship. There is no discrimination by reason of age as the only difference between the rights and privileges of a Fellow and that of an Emeritus Fellow is that the latter has no right to vote, and that does not constitute the withdrawal of any 'benefit'.

75.3. The University may apply the whole or any part of such accumulated income in any subsequent year as if it were income of the Fund arising in the then current year.

75.7. The University shall have power to pay out of the capital or the income of the Fund all costs of and incidental to the creation of the Fund, and the management and administration of the Fund and the Professorship.

75.8. The University may exercise any of its corporate powers in the management and administration of the Fund in so far as those powers are not inconsistent with ~~these regulations~~this Part.

75.9. ~~Regulations~~Sections 75.1–4 and 75.6–11 shall be deemed to be trust provisions under the provisions of Part D of Statute XVI.

75.10. Subject to ~~regulation~~section 75.11, Council may amend, repeal or add to ~~these regulations~~this Part in accordance with Part D of Statute XVI, but no amendment is valid if it would cause the Fund to:
