SAPPHIRE CORONATION ANNIVERSARY**

ELIZABETH R.

Whereas under section 3(1)(a), (b), (c), (cc), (cd), (d) and (dd) of the Coinage Act 1971 We have power, with the advice of Our Privy Council, by Proclamation to determine the denomination, the design and dimensions of coins to be made at Our

Mint, to determine the weight and fineness of certain gold coins, the remedy to be allowed in the making of such coins and their least current weight, and to determine the weight and composition of coins other than gold coins or coins of silver of Our Maundy money, and the remedy to be allowed in the making of such coins, to provide for the manner of measurement of the variation from the standard weight of coins, and to determine the percentage of impurities which such coins may contain:

And Whereas under section 3(1)(ff) of the Coinage Act 1971 We have power, with the advice of Our Privy Council, by Proclamation to direct that any coin shall be legal tender for the payment of any amount:

And Whereas it appears to Us desirable to order that, to celebrate Our Sapphire Coronation, there should be made at Our Mint a new series of coins of the denominations of one thousand pounds, ten pounds and five pounds in gold, a new series of coins of the denominations of five hundred pounds, ten pounds and five pounds in silver; and a new series of the denomination of five pounds in cupro-nickel:

We, therefore, in pursuance of the said section 3(1)(a), (b), (c), (cc), (cd), (d), (dd) and (ff), and of all other powers enabling Us in that behalf, do hereby, by and with the advice of Our Privy Council, proclaim, direct and ordain as follows:

ONE THOUSAND POUND GOLD COIN

1. (1) A new coin of gold of the denomination of one thousand pounds shall be made, being a coin of a standard weight of 1005 grammes, a standard diameter of 100 millimetres, a millesimal fineness of not less than 999, and being circular in shape.

(2) In the making of the said gold coin a remedy (that is, a variation from the standard weight or diameter specified above) shall be allowed of an amount not exceeding the following, that is to say:

(a) a variation from the said standard weight of an amount per coin of 5 grammes; and

(b) a variation from the said standard diameter of 0.25 millimetres per coin.

(3) The least current weight of the said gold coin shall be 995 grammes.

(4) The variation from the standard weight will be measured by weighing each coin separately.

(5) The design of the said gold coin shall be as follows:

‘For the obverse impression Our effigy with the inscription “· ELIZABETH II · D · G · REG · F · D · 1000 POUNDS”, and for the reverse Our portrait taken from Our Coronation and accompanied by the dates “1953” and “2018”. The coin shall have a grained edge.’

TEN POUND GOLD COIN

2. (1) A new coin of gold of the denomination of ten pounds shall be made, being a coin of a standard weight of 156.295 grammes, a standard diameter of 50 millimetres, a millesimal fineness of not less than 999, and being circular in shape.

(2) In the making of the said gold coin a remedy (that is, a variation from the standard weight or diameter specified above) shall be allowed of an amount not exceeding the following, that is to say:

(a) a variation from the said standard weight of an amount per coin of 0.784 grammes; and

(b) a variation from the said standard diameter of 0.125 millimetres per coin.

(3) The least current weight of the said gold coin shall be 154.5 grammes.

(4) The variation from the standard weight will be measured as the average of a sample of not more than one kilogram of the coin.

(5) The design of the said gold coin shall be as follows:

‘For the obverse impression Our effigy with the inscription “· ELIZABETH II · D · G · REG · F · D · 10 POUNDS”, and for the reverse Our portrait taken from Our Coronation and accompanied by the dates “1953” and “2018”. The coin shall have a grained edge.’

FIVE POUND GOLD COIN

3. (1) A new coin of gold of the denomination of five pounds shall be made, being a coin of a standard diameter of 38.61 millimetres, and being circular in shape.

(2) In the making of the said gold coin a remedy (that is a variation from the standard diameter specified above) shall be allowed of an amount not exceeding 0.125 millimetres per coin.

(3) The variation from the standard weight will be measured as the average of a sample of not more than one kilogram of the coin.

(4) The design of the said gold coin shall be as follows:

‘For the obverse impression Our effigy with the inscription “· ELIZABETH II · D · G · REG · FID · DEF · 5 POUNDS”, and for the reverse a garlanded depiction of the Royal Arms below a crowned depiction of Our Royal Cypher, and accompanied by the inscription “· SAPPHIRE ANNIVERSARY · 1953 - 2018”. The coin shall have a plain edge and in incuse letters the inscription “SHINE THROUGH THE AGES”.

FIVE HUNDRED POUND STANDARD SILVER COIN

5. This Proclamation shall come into force on the ninth day of February Two thousand and eighteen.

Given at Our Court at Buckingham Palace, this eighth day of February in the year of our Lord Two thousand and eighteen and in the sixty-seventh year of Our Reign.

GOD SAVE THE QUEEN

At the Court at Buckingham Palace

THE 8th DAY OF FEBRUARY 2018

PRESENT,

THE QUEEN'S MOST EXCELLENT MAJESTY
IN COUNCIL

It is this day ordered by Her Majesty in Council that the Right Honourable the Lord High Chancellor of Great Britain do cause the Great Seal of the Realm to be affixed to the Proclamation of this day's date, determining the specifications and designs for a new series of fifty pence coins in gold, silver and cupro-nickel celebrating the literary character Paddington Bear.

Richard Tilbrook

BY THE QUEEN

A PROCLAMATION

**DETERMINING THE SPECIFICATIONS AND DESIGNS FOR A
NEW SERIES OF TEN PENCE COINS IN GOLD, SILVER AND
NICKEL PLATED MILD STEEL**

ELIZABETH R.

Whereas under section 3(1)(a), (b), (c), (cc) (cd), (d) and (dd) of the Coinage Act 1971 We have power, with the advice of Our Privy Council, by Proclamation to determine the denomination, the design and dimensions of coins to be made at Our Mint, to determine the weight and fineness of certain gold coins, the remedy to be allowed in the making of such coins and their least current weight, and to determine

the weight and composition of coins other than gold coins or coins of silver of Our Maundy money, and the remedy to be allowed in the making of such coins, to provide for the manner of measurement of the variation from the standard weight of coins, and to determine the percentage of impurities which such coins may contain:

And Whereas under section 3(1)(f) and (ff) of the Coinage Act 1971 We have power, with the advice of Our Privy Council, by Proclamation to direct that coins made at Our Mint other than gold, silver, cupro-nickel and bronze coins shall be current and that any coin shall be legal tender for the payment of any amount:

And Whereas it appears to Us desirable to order that there should be made at Our Mint a new series of coins of the denomination of ten pence in gold, silver and in nickel plated mild steel:

We, therefore, in pursuance of the said section 3(1)(a), (b), (c), (cc), (cd), (d), (dd), (f) and (ff), and of all other powers enabling Us in that behalf, do hereby, by and with the advice of Our Privy Council, proclaim, direct and ordain as follows:

TEN PENCE GOLD COIN

1. (1) A new coin of gold of the denomination of ten pence shall be made, being a coin of a standard weight of 12.659 grammes, a standard diameter of 24.5 millimetres, a millesimal fineness of 916.66, and being circular in shape.

(2) In the making of the said gold coin a remedy (that is, a variation from the standard weight, diameter or fineness specified above) shall be allowed of an amount not exceeding the following, that is to say:

(a) a variation from the said standard weight of an amount per coin of 0.03 grammes;

(b) a variation from the said standard diameter of 0.125 millimetres per coin;
and

(c) a variation from the said millesimal fineness of two per mille.

(3) The least current weight of the said gold coin shall be 12.5 grammes.

(4) The variation from the standard weight will be measured as the average of a sample of not more than one kilogram of the coin.

TEN PENCE SILVER COIN

2. (1) A new coin of silver of the denomination of ten pence shall be made being a coin of a standard weight of 6.5 grammes, a standard diameter of 24.5 millimetres, a standard composition of 925 parts per thousand fine silver, and being circular in shape.

(2) In the making of the said silver coin a remedy (that is, a variation from the standard weight, diameter or composition specified above) shall be allowed of an amount not exceeding the following, that is to say:

(a) a variation from the said standard weight of an amount per coin of 0.06 grammes;

(b) a variation from the said standard diameter of 0.125 millimetres per coin; and

(c) a variation from the said standard composition of five parts per thousand fine silver.

(3) The variation from the standard weight will be measured as the average of a sample of not more than one kilogram of the coin.

(4) The said silver coin shall be current and shall be legal tender for the payment of any amount not exceeding five pounds in any part of Our United Kingdom.

TEN PENCE NICKEL PLATED MILD STEEL COIN

3. (1) A new coin of nickel plated mild steel of the denomination of ten pence shall be made, being a coin of a standard weight of 6.5 grammes, a standard diameter of 24.5 millimetres, a standard composition of ninety-four per centum copper and six per centum nickel, and being circular in shape.

(2) In the making of the said nickel plated mild steel coin a remedy (that is, a variation from the standard weight, diameter or composition specified above) shall be allowed of an amount not exceeding the following, that is to say:

(a) a variation from the said standard weight of an amount per coin of 0.2 grammes;

(b) a variation from the said standard diameter of 0.125 millimetres per coin; and

(c) a variation from the said standard composition of an amount per coin of four per centum of the coin as mild steel and four per centum of the coin as nickel.

(3) The variation from the standard weight and composition shall be measured as the average of a sample of not less than 100 coins but not more than one kilogram of the coin.

(4) Impurities may be present in the nickel coating to the said nickel plated mild steel coin in an amount not exceeding one per centum of the said nickel coating (and, in respect of any coin, any such impurities shall be treated as nickel for the purposes of sub-paragraph (2)(c) above).

(5) The said nickel plated mild steel coin shall be current and shall be legal tender for the payment of any amount not exceeding five pounds in any part of Our United Kingdom.

DESIGN OF THE COINS

4. The design of the said ten pence gold, silver and nickel plated mild steel coins shall be as follows:

‘For the obverse impression Our effigy with the inscription “· ELIZABETH II · DEI · GRA · REG · F · D · TEN PENCE ·” and the date of the year, and for the reverse either:

GOD SAVE THE QUEEN

At the Court at Buckingham Palace

THE 8th DAY OF FEBRUARY 2018

PRESENT,

THE QUEEN'S MOST EXCELLENT MAJESTY
IN COUNCIL

It is this day ordered by Her Majesty in Council that the Right Honourable the Lord High Chancellor of Great Britain do cause the Great Seal of the Realm to be affixed to the Proclamation of this day's date, determining the specifications and designs for a new series of ten pence coins in gold, silver and nickel plated mild steel.

Richard Tilbrook

At the Court at Buckingham Palace

THE 8th DAY OF FEBRUARY 2018

PRESENT,

THE QUEEN'S MOST EXCELLENT MAJESTY
IN COUNCIL

The following Report of a Committee of the Privy Council dated 19th January 2018 was today considered:—

“YOUR MAJESTY was pleased, by Your Order of 12th October 2016, to refer to this Committee a Petition on behalf of The Royal Life Saving Society, praying for the grant of a Supplemental Charter:

“THE COMMITTEE have accordingly considered the Petition and have agreed to report it as their opinion that a Supplemental Charter may be granted in terms of the annexed Draft.”

HER MAJESTY, having taken the Report and the Draft Supplemental Charter accompanying it into consideration, was pleased, by and with the advice of Her Privy Council, to approve them. It is accordingly ordered that the Right Honourable the Lord High Chancellor of Great Britain should cause a Warrant to be prepared for Her Majesty's Royal Signature for passing under the Great Seal a Supplemental Charter in conformity with the annexed Draft.
