(c) A trustee may not receive any other benefit or payment unless it is authorised by clause 11.

(iii) Subject to clause 11, none of the income or property of the charity may be paid or transferred directly or indirectly by way of dividend bonus or otherwise by way of profit to any member of the College. This does not prevent a member who is not also a trustee receiving:

(a) a benefit from the College in the capacity of a beneficiary of the College;

(b) reasonable and proper remuneration for any goods or services supplied to the College.

11. (i) No Fellow, Member or connected person may:

(a) buy or receive any goods or services from the College on terms preferential to those applicable to members of the public;

(b) sell goods, services, or any interest in land to the College;

(c) be employed by, or receive any remuneration from, the College;

(d) Receive any other financial benefit from the College; unless the payment or benefit is permitted by sub-clause (ii) of this clause, or authorised by an order of the Court or the prior written consent of the Charity Commission (“the Commission”) has been obtained. In this

clause, a “financial benefit” means a benefit, direct or indirect, which is either money or has a monetary value.

- (d) A Fellow, Member or connected person may receive interest on money lent to the College at a reasonable and proper rate which must be not more than the Bank of England bank rate (also known as the base rate).
- (e) A Fellow, Member or connected person may receive rent for premises let by the Fellow, Member or connected person to the College. The amount of the rent and the other terms of the lease must be reasonable and proper. Any Fellow concerned who is on the Court and therefore a trustee must withdraw from any meeting at which such a proposal or the rent or other terms of the lease are under discussion.
- (f) A Fellow, Member or connected person may take part in the normal trading and fundraising activities of the College on the same terms as members of the public.

(iii) Payment for supply of goods only – controls

The College and its Court as charity trustees may only rely upon the authority provided by sub-clause (ii)(c) of this clause if each of the following conditions is satisfied:

- (a) The amount or maximum amount of the payment for the goods is set out in a written agreement between the College and the Fellow, Member or connected person supplying the goods (“the supplier”).
- (b) The amount or maximum amount of the payment for the goods does not exceed what is reasonable in the circumstances for the supply of the goods in question.

- (c) The Court as charity trustees is satisfied that it is in the best interests of the College to contract with the supplier rather than with someone who is not a Fellow, Member or connected person. In reaching that decision the Court as charity trustees must balance the advantage of contracting with a Fellow, Member or connected person against the disadvantages of doing so.
 - (d) The supplier is absent from the part of any meeting at which there is discussion of the proposal to enter into a contract or arrangement with him or her or it with regard to the supply of goods to the College.
 - (e) The supplier does not vote on any such matter and is not counted when calculating whether a quorum of the Court as charity trustees is present at the meeting.
 - (f) The reason for their decision is recorded by the Court as charity trustees in the minute book.
- (iv) In sub-clauses (ii) and (iii) of this clause:
- (a) “the College” includes any company in which the College:
 - (α) holds more than 50% of the shares; or
 - (β) controls more than 50% of the voting rights attached to the shares; or
 - (γ) has the right to appoint one or more directors to the board of the company;
 - (b) “connected person” includes any person within the definition set out in sections 350 to 352 of the Charities Act 2011.”
